

# CREATING IBM CLOUD SERVICE

Date	26 OCTOBER 2022
Team ID	PNT2022TMID17427
Project Name	GAS LEAKAGE MONITORING AND ALERTING SYSTEM FOR INDUSTRIES

The screenshot displays the IBM Cloud Dashboard. At the top, the 'Dashboard' title is followed by links for 'Edit dashboard', 'Upgrade account', and a prominent blue 'Create resource' button. Below this, a 'For you' section features a horizontal carousel of five cards: 'Build' (purple background), 'Monitor your resources', 'Explore IBM Analytics Engine', 'Create and deploy an application', and 'Create a Kubernetes cluster'. Each card includes a brief description and a 'Getting started' button with an estimated time (5 or 10 minutes). To the right of the carousel is a 'Select an option' dropdown. The bottom of the dashboard contains three sections: 'User access' with a 'Manage users' link, 'News' (highlighted in blue) with a 'View all' link and a sub-header 'IBM Tech Now: October 24, 2022', and 'Planned maintenance' with a 'View all' link. The left sidebar contains various navigation icons, and the right sidebar shows application shortcuts. The Windows taskbar at the bottom indicates the system time as 09:51 PM on October 26, 2022, with a weather forecast of 26°C Cloudy.

An IBM Cloud Service created Successfully .
